It's Good to be Bad at Warner Bros. Movie World!

OXENFORD, QUEENSLAND, AUSTRALIA – Warner Bros. Movie World is getting in touch with its villainous side with the official opening of the DC Comics Super-Villains Unleashed and the Doomsday Destroyer this Saturday.

In the world-first DC Super-Villains themed precinct, Warner Bros. Movie World guests can embark on a journey with some of the most iconic DC Super-Villains in an interactive themed area, where it's good to be bad.

At the centre of the new precinct is the Doomsday Destroyer, a monstrous looping ride like nothing else ever seen at Warner Bros. Movie World.

Warner Bros. Movie World General Manager, Greg Yong said the new precinct offers a range of unique and interactive experiences for the whole family.

“There has always been a focus on DC Super Heroes at Warner Bros. Movie World but this new precinct will showcase the Super-Villains from the DC Universe,” he said.

“On the Doomsday Destroyer guests are taken on a thrilling 21 metre high adventure where they reach speeds of up to 36km/h and experience 2.4 negative G forces.

“An exciting feature of the Super-Villains Unleashed precinct is the interactive elements where guests can assist Super-Villains such as The Joker and Lex Luthor in their mission to cause mass destruction throughout the park with the use of innovative RFID technology.

“As Warner Bros. Movie World celebrates its 25th Anniversary, there has never been a better time to visit the park as we are welcoming in a new era of entertainment for the Gold Coast and Australia with a host of new attractions and experiences.”

The best way to experience the DC Super-Villains Unleashed and the Doomsday Destroyer is with a Village Theme Parks Membership which provides unlimited entry to Warner Bros. Movie World, Sea World, Wet'n'Wild Gold Coast and Paradise Country. For more information visit movieworld.com.au or call 13 33 86.
