Embrace your Wild side with Wet'n'Wild Buggy! The first of its kind experience is now open on the Gold Coast!

Wet'n'Wild Gold Coast is embracing its wild side as it goes all-terrain with the launch of Queensland's first driving adventure park, Wet'n'Wild Buggy.

Wet'n'Wild Buggy is a purpose-built adventure track where guests can drive a specially designed army spec buggy and embark on an off-road track riddled with over 50 obstacles that is almost 1.5km in length.

Wet'n'Wild Gold Coast General Manager, Greg Yong said this is an exciting and unique driving experience for the whole family with nothing else like it on offer in Queensland.

"The purpose-built track covers a land area of 30,000 square metres and is scattered with jumps to get airborne, water obstacles, crazy hills, tunnels and more, providing plenty of thrills and challenges for guests to explore," he said.

"Adult guests drive the buggies navigating the course, whilst kids also enjoy a true driving experience with our world-first dual-control buggies assisted by a Wet'n'Wild Buggy instructor."

Wet'n'Wild Buggy experiences are not included in the price of entry and need to be purchased separate to park Admission and Season Memberships.

Wet'n'Wild Buggy sessions can be booked in-park at the Wet'n'Wild Buggy site right next to Kamikaze or online at wetnwildbuggy.com.au

The best way to experience Wet'n'Wild Gold Coast is with a Mega Pass which gives guests unlimited entry to Wet'n'Wild Gold Coast, Warner Bros. Movie World, Sea World and Paradise Country for 12 months. For more details please visit wetnwild.com.au or call 13 33 86.
