## **VILLAGE CINEMAS CANDY BAR NOW ON UBER EATS**

Every movie deserves popcorn, as Village Cinemas launches its candy bar onto the leading food delivery service, UberEATS.

Available to those within UberEATS catchment radius, currently six Village Cinemas locations, including Rivoli, Airport West, Coburg, Century City, Jam Factory and Southland, local residents will have the opportunity to order delivery of their favourite Village Cinemas snacks. This will be expanding to more locations in the coming months.

Users of the UberEATS app can select from a range of classic Village Cinemas combos, along with individual confectionary packs and ice-creams, with hot food available from some locations.

Quite different to the various restaurants available on UberEATS, Village Cinemas is proud to share their unique offering to homes across Victoria, bringing more than just movies to customers.

General Manager of Food & Beverage at Village Cinemas, Nick Grant, is excited with the Candy Bar offering on the app.

“We are always looking for innovative ways to provide our loyal customers with more of what they love at their convenience. The service that we are able to provide through UberEATS meets that criteria and the response from the public so far has been overwhelmingly positive.

“We hope to make every movie night a special one, accompanied by delicious Candy Bar treats.” Mr Grant said.

Village Cinemas on UberEATS is available now with prices starting at just \$4.90.
